Program	Amount
Projected SEMI Revenue:	6,100
Estimated Medicaid Eligible/Special Education Student Count:	15
District has approved waiver:	Yes
90% of Projected SEMI Revenue:	5,490
Phase-in plan for maximizing parental consent was prepared by the district:	No
Revenue reduction analysis was prepared by district:	No
Districts may budget more than the 90% projected amount; if 'Yes' here then district budgeted more and entered this amount on the next line below.	No
Alternate Revenue Projection:	0
Entry above for waiver or alternative revenue projection has been reviewed and approved by ECS or ECBO:	Yes

**District Status Above, At, or Below Expected Local Levy**

Line	Name	Amount	Description
A	2017-18 General Fund Levy	2,698,233	
B	Equalization Aid	1,244,469	
C	Total Budgeted Adequacy Spending (A + B)	3,942,702	
D	District Adequacy Budget	4,378,415	
E	Excess Amount (C - D)	-435,713	
	Status		The proposed budget is at or below the expected local levy
	Explanation (only if Line E is positive)		

## Minimum Tax Levy Calculation

Line	Name	Amount
A	District Adequacy Budget	4,378,415

Name	Description
Maintain Our School System	Tuckerton Elementary School is in the early phases of beginning a significant capital project which will include a dedicated pick-up and drop-off lane to improve student safety, a new playground, a newly constructed secure main entrance with handicapped lift, as well as a new Technology Lab, STEAM Lab, and Media Center. Funds have been placed into capital reserve to contribute towards this project as well as the passing of a referendum in September. We continue to maintain fiscal conservancy in order to support the maintenance of our physical facilities. We have expanded and upgraded our technology offerings for students as well by including the 2nd grade this year in our 1:1 Chromebook initiative that previously was for 3rd - 6th grades.
Raising Standards and Expanding Opportunities	A schoolwide PDP goal this year was the use of data to drive instruction. This has been a focal of PLC meetings as well as professional development sessions to assist teachers in using the wealth of data and information available to them to provide differentiated instruction for all students. The use of Waggle this year has given teachers in the 3rd - 6th grades the opportunity to truly individualize instruction for students and track their progress. We continue to participate in inter-district articulation with Pinelands, Eagleswood, Bass River, and Little Egg Harbor. Students have been afforded multiple opportunities to expand their horizons through the use of Skype calls with students in other countries as well as with experts in a variety of fields. Additionally, Skype has been used to supplement homebound instruction by Skyping students into the class for math and literacy instruction.
Building Professionalism	We continue to focus on an Ed-Camp style of professional development in house. Teachers are required to be prepared to turn-key any professional development opportunities that they attend. Additionally, teachers are encouraged to share out technology apps, classroom management strategies, etc. that are working well for them. We have started an after school discussion group that has covered such topics as "Building a Growth Mindset" and "The Reading Rules We Would Never Follow as Adult Readers". Along with our inter-district articulations with surrounding districts and five, half day in-service days through out the year we have built into the calendar a significant amount of time for professional development.
Protecting Our Investment	As identified above, we are embarking on a major capital project to enhance and improve our physical facilities. We will continue to practice fiscal conservancy and make contributions to our capital and maintenance reserves in line with our Comprehensive Maintenance and Long Range Facilities Plans.
Planning for the Future	With our capital project underway, the major areas of concern moving forward are state funding and how it may be impacted by a change in school aid formula. This could potentially have a significant impact on our budget. We continue to address ways to improve instruction and differentiate appropriately for students through professional development.

NAME	DESCRIPTION
Mathematics	We are in year three of our implementation of the Go Math program. Teachers are becoming increasingly more comfortable with the program and areas in need of supplementing. Through use of standardized test data as well as benchmark assessment data, teachers are individualizing math instruction. As teachers get together for common planning time and PLC meetings they are having discussions about possible re-ordering of certain units in order to provide adequate exposure to all standards and strands.
Science	In anticipation of the full implementation of Next Gen Science Standards, we have started a new Science program; Pearson Interactive Science. This program provides digital learning as well as hands on activities which are aligned to the new standards. We are hoping to hire a part time teacher to staff our new STEAM lab and continue to support ongoing professional development in the Science area including but not limited to County Curriculum meetings, regional articulation, etc.
English Language Arts	As our ELA PARCC scores continue to lag behind where we would like them to be we maintain our ongoing evaluation of programs and look at new interventions. This year we have focused on small group/individual interventions as well as a significant focus on dyslexia. Through professional development, PLC's, and vertical articulation we have identified areas of weakness and then sought out and implemented interventions. For our struggling readers we have implemented individual Read 180 time as well as increased small group and individualized intervention with an adult. From a programmatic standpoint we have implemented Heartbuilder which focuses on phonemic awareness as well as Fast Forward specifically targeting our identified dyslexic students. Writing continues to be a focus area for us as well.
Social Studies	Most grades have begun integrating a significant portion of their Social Studies curriculum with their Literacy instruction. The use of historical fiction has seamlessly married novel studies with Social Studies instruction. Several grades utilize Social Studies Weekly as well as CNN News.
21st Century Life and Careers	At TES we focus on accountability, creativity, collaboration, critical thinking and problem solving across all content areas in all grades. In 6th grade financial literacy is a focal point as students learn how to maintain a checking account, write, checks, make deposits, and balance a checkbook.
Visual Performing Arts	Tuckerton Elementary School supports a strong vocal and instrumental music program for students 3rd-6th grade including chorus, band, and instrumental lessons. Therapeutic drumming and a 5th grade percussion ensemble supplement weekly music classes. Diversity through music and art are promoted not only in the special areas but also in the classrooms and in our selections of school wide activities that all children can participate in. We have a focus on arts infusion including two half days this year that were solely based on arts infused activities throughout the grades.
Health and Physical Education	Tuckerton Elementary School addresses all standards through a variety of sports, games, physical fitness activities, dance, and health instruction. Nutrition is a focal point along with fitness as well as after school activities including flag football, volleyball, and running club. The school nurse teams with the physical education teacher to provide Family Life curriculum, and additionally the physical education teacher provides formal Health instruction in grades 4 - 6 while classroom teachers are responsible for this instruction in the lower grades.
World Languages	World Language is a weekly special for all grade levels. Instruction includes arts infusion, stations where students rotate from activity to activity, technology including DuoLingo, etc.
Technology	Tuckerton Elementary School has a 1:1 Chromebook initiative for students in 2nd - 6th grade. Students in Preschool - 1st grade have access to iPads on a daily basis in their classrooms as well. Mystery Skypes, 3D printing, Hour of Code, and our BYOD program are just a few of the many technology opportunities our students benefit from. Additionally, we are building a new Technology Lab and STEAM Lab which will be up and running sometime during the fall of 2017.

\*Does not include pension and social security paid by the State on-behalf of the district.

\*\*Federal and State funds in the blended resource school-based budgets.

The information presented in columns 1 through 3 as well as the related descriptions of the per pupil cost calculations are contained in the Taxpayers' Guide to Education Spending (formerly the Comparative Spending Guide) and can be found on the Department of Education's Internet website: <http://www.state.nj.us/education/guide/>. This publication is also available in the board office and public libraries. The same calculations were performed using the 2016-17 revised appropriations and the 2017-18 budgeted appropriations presented in this advertised budget. Total Budgetary Comparative Per Pupil Cost is defined as current expense exclusive of tuition expenditures, transportation, residential costs, and judgments against the school district. For all years it also includes the restricted entitlement aids. With the exception of Total Equipment Cost, each of the other per pupil cost calculations presented is a component of the total comparative per pupil cost, although all components are not shown.

A DISTRICT SHARE		0	979,579	929,000
B TOTAL EMPLOYEE SHARE		0	52,200	133,650
C TOTAL HEALTH BENEFITS COSTS		0	1,031,779	1,062,650

Above is a summary of the total health benefits costs for the district, showing district and employee shares.

Districts have the option of allocating direct benefits to the applicable programs and functions; the expanded reporting in the detailed allocations is summarized to the object level for comparison purposes.

P.L. 2010, c. 2 established a minimum contribution to be made by employees toward their health and prescription coverage (1.5% of the employee's salary) in contracts with start dates after May 21, 2010.

Subsequently, P.L. 2011, c. 78 further changed the employee contribution and benefit provisions.

Shared Service Category Type	Shared Service Category Description	Amount Saved (Optional)
Social Worker/Psychologist	We share a School Psychologist with Eagleswood School District.	5,000
Others	We share an Occupational Therapist with Pinelands and Eagleswood School Districts.	15,000
Others	We share an ESL Teacher with Little Egg Harbor and Eagleswood School Districts.	2,500
